Mark
Gasparotto

"Mark spoke at our annual Client Conference, which Vistage recommended. His 3-hour session was a roller coaster ride of self-awareness, offering insanely insightful perspectives on decision-making that extended into personal life interactions. His experiences, from military service to the entrepreneurial arena, resonated deeply with our global audience, prompting us to engage the Gasparotto Group for additional leadership development programs."

Kenny Johnston | President, Bill Gosling Outsourcing

"The Gasparotto Group are professional speakers and facilitators that teach you discipline and return you to your core value structure to better understand how to achieve individual and team goals. I strongly recommend this awesome team. Blessed to have worked with them."

Ed Gibbs | CEO, President, Gib-San Group of Companies

"There was such a powerful silence in the room! Mark was able to capture all our 900 delegates' attention immediately. A powerful storyteller with great stage presence, he offered genuine, authentic, practical, and generous insights that can be put to work immediately. Participants are now better equipped with tips, tricks, and a toolset to help them lead themselves and others. He exceeded expectations and more!"

Jérémie Emond | Director General, Real Property and Environment at Natural Resources Canada / Co-Chair, Real Property Institute of Canada's 2023 National Workshop Communications

"It was a world-class Leadership experience from beginning to end. Our Leadership Team came away more aligned and empowered to lead more effectively, allowing us to lead more effectively with more concise goal setting, communication, and idea sharing."

Roy Comesotti | Vice President, Restaurant Operations, Wentworth Hospitality Group
