Notes

- You will need to add contacts before you can send an email. This can be done by **Import Contacts** or you can **Add Contacts** one by one.
- Alternatively, you can post your page directly to Facebook, Twitter (X), or LinkedIn.
- The Fitness Goal tab allows you to link this activity to your **Strava** Account. This keeps track of your paddling activities and posts them on your fundraising page.
- Additionally, once registered, Mark Gasparotto will send you an invite in Strava to join the Paddle for Resilience **Club** where you can sign up for the Paddle for Resilience (2025) **Challenge**. This will log all your paddling activities (canoe, kayak, and SUP) from 5 April to 20 September.
 - To differentiate between training sessions, trips, and your actual DIY Paddle for Resilience route, we request that you title your Paddle for Resilience trip as P4R '25 - [Your Name or Team Name] - [Route name]. For example mine will be P4R '25 - Gasparotto Group - Ottawa River.
